

Featured Speaker

Sammy Tippit has written and co-authored 14 books. He was co-author of *Sammy Tippit – God's Love in Action*, which was the first book written by bestselling author, Jerry B. Jenkins. After writing four books with Jenkins, he began writing numerous non-fiction books on his own.

Many of those books have been translated into more than twenty languages. *Sammy Tippit–God's Love in Action* has been updated as *God's Secret Agent*. Sammy's book, *The Prayer Factor*, is the most translated book of all his works, and it was the first Christian book translated into the Mongolian language inside the nation of Mongolia. *The Prayer Factor* and *Fire in Your Heart*, two of Sammy's earlier books, were bestsellers among Christian books in Brazil. All of his books have followed the theme of renewal in the lives of Christians.

Almost daily we read in the news of events both at home and abroad that remind us of the tumultuous times in which we live. Terrorism, disease, warfare, economic instability, and moral confusion seem to define the world around us. And the church, for the most part, is asleep! It is time to join our prayers with those around the world who believe this is the moment for God to arise and move in power across our land and around the globe! G. Campbell Morgan said: "Revival cannot be organized, but we can set our sails to catch the wind from heaven when God chooses to blow upon his people once again."

An Urgent Call for Revival

February 26–28
Renewal Conference 2015
Wilmore, KY

Featured Speaker: Rev. Sammy Tippit

Speaker and Worship Leaders

Sammy Tippit

Evangelist

Sammy and Tex Tippit have been married for 46 years. Two years after they were married they established Sammy Tippit Ministries, which has taken them to over 80 countries around the globe. Their heart beats as one, for the name and fame of Jesus to be known in all the nations of the world.

Sammy has been a leading voice among Christians around the world during the last few decades. He has proclaimed God's message of peace in stadiums in war-torn Burundi, met with government and religious leaders shortly after the attempted genocide in Rwanda, and brought hope to persecuted believers in the former Soviet-bloc nations. In May 1999, he preached in Maracana, the world's largest stadium, located in Rio de Janeiro. Not only did thousands come to Christ, but the event was attended and supported by the governor, vice governor, and mayor of the city and state.

Jason & Erin Owens
